QuikTile fireplace surrounds

Choose from eight designer colors and almost unlimited size options to create a beautiful surround for your fireplace. Each tile is hand selected and inspected for every surround. QuikTile's unique design allows for a professional installation in minutes and removes the mess and time associated with traditional ceramic tile installations. For the best value in a ceramic fireplace surround, choose QuikTile.

Benefits of a QuikTile Fireplace Surround

- * Save Money - Best priced tile surround available.
- * Save Time - Install in 30 minutes or less.
- * Versatile - Will fit almost any gas or electric fireplace.
- * No Tools Needed - Installs with construction adhesive.
- * Clean Install - No mortar, no grout, and no mess!

Standard Options

* All sizes are approximates and will vary slightly. **Custom sizes available ask your dealer.
